Specialized Office Systems, Inc. (SOS) is pleased to announce the launch of the new SOSsystems.com website. Our new website features information about our company, biographies and images of all current employees, office productivity polls, helpful and informative videos, and much more. “We’ve spent the past 6 months developing a website that would help meet our client’s needs and provide them some useful information about SOS”, says Bruce Goldberg, CEO.

Specialized Office Systems’ business model is to provide “integrated solutions for businesses”. SOS analyzes our client’s purchases and then streamlines their procurement to save our clients time and money. We take pride in providing the best merchandise, support, and technology available to the market.

SOS, is a family owned and operated business, proudly based in Phoenix for nearly 25 years and serving more than 3500 businesses in the Southwest. SOS is a leader in the product lines they represent including printing, promotional products, office supplies, office environments (office furniture), filing systems and supplies, and anything else an office needs to operate efficiently.

EMR can save your practice 10% of your overall expenses, provide better medical care, and create more time for providers and their staff to spend with their families.
